We have audited the accompanying Statement of Revenues and Expenditures - Budget and Actual, of the County of Orange District Attorney's Office (District Attorney) Disability and Healthcare Insurance Fraud Program for the fiscal year ending June 30, 2010. This financial statement is the responsibility of the District Attorney's management. Our responsibility is to express an opinion on this financial statement based on our audit.

We conducted our audit in accordance with generally accepted auditing standards of the United States of America and Government Auditing Standards issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatements. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

On this date, and in accordance with Government Auditing Standards issued by the Comptroller General of the United States, we have also issued a report on our consideration of internal control structure related matters and compliance with laws and regulations based on an audit of a financial statement of the Disability and Healthcare Insurance Fraud Program. The internal control and compliance reports are an integral part of this audit and should be considered with the results of our report on the financial statement.

In our opinion, the financial statement referred to above presents fairly, in all material respects, the revenues and expenditures of the District Attorney's Disability and Healthcare Insurance Fraud Program for the fiscal year ending June 30, 2010, in conformity with the basis described in Note 2.

This report is intended solely for the information and use of the County of Orange District Attorney's Office, the Audit Committee and for filing with the State of California Department of Insurance and should not be used for any other purpose. However, this report is a matter of public record and its distribution is not limited.

ORANGE COUNTY

DISTRICT ATTORNEY'S OFFICE

DISABILITY AND HEALTHCARE INSURANCE FRAUD PROGRAM

NOTES TO FINANCIAL STATEMENT

FOR THE FISCAL YEAR ENDING JUNE 30, 2010

NOTE 1 – BACKGROUND

The Orange County District Attorney's Disability and Healthcare Insurance Fraud Unit (Unit) utilizes various forms of investigative techniques and scientific aids in order to detect, investigate, and bring to justice perpetrators of disability and healthcare insurance fraud in Orange County. The Orange County District Attorney (OCDA) applied for and was awarded funding for the Disability and Healthcare Insurance Fraud Program (Program) by the California Department of Insurance (CDI) for the period July 1, 2009 through June 30, 2010. The Program funds provide for enhanced investigation and prosecution of fraudulent disability and healthcare insurance claims. The funds are available to local district attorneys under provisions of Section 1872.85 of the California Insurance Code.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The OCDA presents its revenues and expenditures on an accrual basis in accordance with State of California, Department of Insurance, Fraud Grant Financial Audit Guidelines. Revenues are recognized when earned and expenditures are recognized when incurred. The accompanying financial statement is not intended to present the financial position and results of the County of Orange, District Attorney's operations.

NOTE 3 – EXPENDITURES

Expenditures were made for the purpose of the program as specified in Section 1872.85 of the Insurance Code and California Code of Regulations, Title 10, Sections 2698.95 et. seq., and the County Requirements Upon Award of Grant, Section II, in the Request for Application.

See Independent Auditor's Report

Independent Auditor's Report

A. Salaries and Benefits

Expenditures charged to the Program are limited to personnel funded by the grant. These expenditures include salaries and benefits of attorneys and investigators directly involved with the Program. Also included are the salaries and benefits of support personnel (administrative, investigative, and paralegal). County of Orange policies and procedures were used to verify the appropriateness of personnel costs. Personnel time charged to the Program was appropriately certified by Program personnel.

B. Operating Expenditures

Operating expenditures include travel/transportation, communication expenses, building lease, audit and indirect costs. A flat indirect cost rate of ten percent was used for the year ended June 30, 2010. Indirect costs were calculated by applying the indirect cost rate to direct salaries. Direct charges to the program are not included in the calculation of indirect costs charged to the program.

C. Equipment

During the auditing period, no equipment was budgeted nor purchased for the program.

NOTE 4 – FUNDING AMOUNTS

The District Attorney was awarded \$586,500 and received the full award amount on February 26, 2010. In addition, interest income for current fiscal year totaling \$612 was included to further program expenditures. Total grant funding was \$587,112.

NOTE 5 – EXCESS OF EXPENDITURES OVER REVENUES

Current year's excess expenditures over revenues: \$26,547

The net expenditures in excess of revenues as of June 30, 2010 cannot be applied toward future year's grant revenue. Therefore, the excess expenditures will be absorbed by the OCDA.

INDEPENDENT AUDITOR'S REPORT ON THE INTERNAL CONTROL STRUCTURE RELATED MATTERS NOTED IN A FINANCIAL STATEMENT AUDIT CONDUCTED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

October 26, 2010

State of California
Department of Insurance
Fraud Division
9342 Tech Center Drive, Suite 100
Sacramento, CA 95826

We have audited the Statement of Revenues and Expenditures - Budget and Actual, of the County of Orange District Attorney's Office (District Attorney) Disability and Healthcare Insurance Fraud Program, for the fiscal year ending June 30, 2010, and have issued our report thereon dated October 26, 2010.

We conducted our audit in accordance with generally accepted auditing standards of the United States of America and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatements, whether caused by error or fraud.

In planning and performing our audit of the Statement of Revenues and Expenditures - Budget and Actual, of the County of Orange District Attorney's Office Disability and Healthcare Insurance Fraud Program for the fiscal year ending June 30, 2010, we considered the District Attorney's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the District Attorney's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the District Attorney's internal control over financial reporting.

A significant deficiency is a control deficiency, or combination of control deficiencies, that adversely affects the District Attorney's ability to initiate, authorize, record, process, or report financial data reliably in accordance with generally accepted accounting principles such that there is more than a remote likelihood that a misstatement of the District Attorney's financial statement that is more than inconsequential will not be prevented or detected by the District Attorney's internal control.

A material weakness is a significant deficiency, or combination of significant deficiencies, that results in more than a remote likelihood that a material misstatement of the financial statement will not be prevented or detected by the District Attorney's internal control.

Independent Auditor's Report

Our consideration of internal control over financial reporting was for the limited purpose described in the third paragraph above and would not necessarily identify all deficiencies in internal control that might be significant deficiencies or material weaknesses. We did not identify any significant deficiencies or material weaknesses in the District Attorney's internal control over financial reporting.

This report is intended solely for the information and use of management of the District Attorney, the Audit Committee, and the California Department of Insurance. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

A handwritten signature in blue ink that reads "Peter Hughes".

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH LAWS AND REGULATIONS BASED ON AN AUDIT OF A FINANCIAL STATEMENT PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

October 26, 2010

State of California
Department of Insurance
Fraud Division
9342 Tech Center Drive, Suite 100
Sacramento, CA 95826

We have audited the Statement of Revenues and Expenditures - Budget and Actual, of the County of Orange District Attorney's Office (District Attorney) Disability and Healthcare Insurance Fraud Program, for the fiscal year ending June 30, 2010, and have issued our report thereon dated October 26, 2010.

We conducted our audit in accordance with generally accepted auditing standards of the United States of America and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatements.

Compliance with laws, regulations, contracts, and grants applicable to the Disability and Healthcare Insurance Fraud Program is the responsibility of the District Attorney's management. As part of obtaining reasonable assurance about whether the District Attorney's financial statement is free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of management of the District Attorney, the Audit Committee, and the California Department of Insurance. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

Sincerely,

Dr. Peter Hughes, CPA, Director
